EXPERIENCE

RSM US LLP   Houston, TX
Incoming Technology Risk Consulting Intern   June 2026 – Aug 2026
- Selected to join RSM's Technology Risk Consulting practice, where I will support IT audit, SOX compliance, and SOC engagements to help enterprise clients strengthen IT governance and risk management initiatives
- Focus areas include evaluating IT general controls (ITGC), cybersecurity governance, and enterprise ERP environments (SAP, Oracle, D365) to assess control effectiveness and identify technology risks proactively
- Supporting walkthroughs, risk assessments, and internal control documentation aligned with COBIT and NIST frameworks, contributing to client audit readiness and risk evaluations for enterprise client engagements

Endress+Hauser   Houston, TX
Business Systems Analyst Intern, Gas Measurement Division   May 2025 – Aug 2025
- Analyzed over 120,000 expedited order records to identify bottlenecks and engineered solutions that reduced urgent requests by 25% and increased throughput by 15% across high-volume manufacturing operations
- Built automated dashboards using Excel VBA and Power BI, cutting reporting time by 40% and enabling real-time decision support for leadership across cross-functional operational teams globally enterprise-wide
- Integrated barcode-scanning workflows with SAP, eliminating 75% of manual data entry, accelerating fulfillment speed by 40%, and driving three division-wide process enhancements enterprise-wide adoption

CUBIO Innovation Hub   Houston, TX
Business Strategy Consulting Intern, Sponsored Client Engagement   Sept 2024 – Nov 2024
- Collaborated with a team of 8 consultants to synthesize findings from 10+ qualitative and quantitative sources into an executive-level strategy deck, enabling informed decision on growth and partnership priorities
- Analyzed 5 strategic and operational problem areas for a CUBIO-backed life-science startup by conducting competitive research and stakeholder analysis, delivering 3 data-backed recommendations to leadership

INVOLVEMENT

Asian Business Student Association   Houston, TX
Professional Development Mentor   Jan 2026 – Present
- Guided 18 business students through career advising, improving clarity in early professional career planning
- Provided resume and networking support to 12 mentees, strengthening professional readiness and confidence

Challenger Program   Houston, TX
Campus Ambassador   Sept 2023 – Oct 2024
- Supported 10 first-generation students through mentorship, improving academic engagements and confidence
- Collaborated with program staff to support workshops and initiatives, increasing student participation by 12%

PROJECTS

Meta AI Case Competition | UH ABSA   Houston, TX
Business Planning Consultant   Oct 2025 – Nov 2025
- Engineered an AI-driven moderation system integrating human-in-the-loop validation, slashing content backlog by 20% across five pilot project teams while maintaining compliance and review accuracy standards
- Evaluated Meta's moderation workflow and delivered targeted recommendations projected to reduce review costs by 12% and increase operational efficiency by 30% across global moderation operations teams
